

Infrastructure Carbon Review One-Year-On Conference

Agenda

Date & Venue

Monday 27th October 2014, 09:50 to 13.00 (arrival from 09:30).

Department for Business, Innovation and Skills' Conference Centre, 1 Victoria Street, London, SW1H 0ET.

Conference Objectives

- Encourage the value chain to take action in reducing carbon and reducing cost in infrastructure
- Re-enforce the key messages of the Infrastructure Carbon Review: that a low carbon approach is a critical business driver
- Maintain the momentum of this message since the launch of the review in November 2013 and update on actions 'one year on'
- Encourage new participants to pledge commitment to meeting the objectives of the Infrastructure Carbon Review
- Share best practice from across the supply and help the whole value chain to learn from others, boost performance and drive innovation.
